

THE PROBLEM

Photos in a camera roll are not a memory.

The plan, the photos and the film
end up in three places that never meet.

HOW WE SOLVE IT

Everything is a pin.

Plan, live and remember on one map.

OTHER APPS

Plan

an itinerary in a notes app

Live

photos sit in the camera roll

Remember

you edit the video yourself

PINLOG

THE STACK

Built with the sponsors.

Four tools, one notebook.

ElevenLabs

Every narration line
is its own clip,
landed on its second.

Auth0

Hosted login.
We never touch
a password.

IFM · K2-Think

One model plans,
answers and writes
the film from your notes.

Cursor

A fourth teammate.
Reads the handoff,
stays in its lane.
